Dear Colleague,

It is our privilege to invite you to participate in the 19th National Conference of the Indian Association of Surgical Gastroenterology to be held in Mumbai on the 2nd 3rd & 4th of October 2009. This is the first time that this meeting is being held in this city.

Surgical Gastroenterology has acquired a distinct identity as a discipline and has grown rapidly in the last few years in India. In turn the Indian Association of Surgical Gastroenterology had also expanded with its unique character being its academic focus. Amongst its various activities one of the main features is the Annual Conference, which is now known for its scientific rigour. We hope to continue this tradition in Mumbai. The program is being conceptualised to cover all aspects of G I surgery including Upper G I, Colorectal, HPB, G I Oncology, Laparoscopy and Liver transplantation.

The conference is being held at the Hotel Grand Hyatt, which is located close to the domestic airport and has a convention center of high quality. We urge you to consider the residential package, which is highly subsidized as this will reduce travel time and facilitate the process of an early start to the meeting. We propose to have all the events related to the meeting at the venue.

We look forward to hosting you in Mumbai and do feel free to contact us for any clarifications and suggestions.

With regards.

Sanjay Nagral
Organising Secretary

Nilesh Doctor
